BIOGRAPHY

Regine de Heus studied architecture in Darmstadt and Duesseldorf and worked alongside at Novotny Maehner & Assoziierte in Offenbach/M. and at RKW Architektur und Staedtebau in Duesseldorf.

After successfully graduating as an architect Regine de Heus began her professional career at RKW Architektur und Staedtebau in Duesseldorf with a focus on planning and realizing big shopping centres for investors and supporting one of the leading partners in acquiring new projects.

In 2004 Regine de Heus successfully completed her postgraduate studies in industrial engineering before joining KAP1 Consulting in Duesseldorf.
